Landscape Art Prize 2021

\$500 acquisition prize for the best interpretation of the Grow West landscape

Grow West is one of Australia's most ambitious landscape restoration programs. Launched in 2003, its vision is to revegetate thousands of hectares of land in the Upper Werribee Catchment by connecting large areas of public reserves in Brisbane Ranges National Park, Werribee Gorge State Park and Lerderderg State Park through a mosaic of revegetation works across public and private properties.

Grow West is a proud sponsor of the Rotary Club of Bacchus Marsh Art Sale and Exhibition and is running the Grow West Landscape Art Prize again in 2021.

Artists of all levels are invited to enter a work in any medium that expresses their understanding and appreciation of the work done to protect the precious, yet fragile, environment in the Grow West area.
